Additional Requirements for the College of Arts & Sciences at Texas Tech University

BS students must also complete 3 Hrs of Foreign Language at the Sophomore Level. It is recommended to take SPAN2311 (which has prerequisites of SPAN1411 and SPAN1412) and will transfer as SPAN2301 at TTU.

Multicultural Elective at TTU

In addition to the core, every student must successfully complete at least one 3-hr multicultural course or its equivalent that focuses explicitly on the distinctive subcultures of the United States or another society. At South Plains College, students can earn credit towards the multicultural elective by taking one of the following courses: *ANTH2351, ARTS1301, GEOG1302, GEOG1303, HUMA2319, PHIL1304, and SOCI1301.*

TSI-Compliance

Students who are not TSI-compliant in reading or English are advised to take the INRW0300/ENGL1301 corequisite. Successful completion will grant TSI-compliance in these areas and college-credit for ENGL1301. ENGL1302 requires a 'C' or better in the corequisite or approval by the English Chairperson.

Students who are not TSI-compliant in math are advised to take the MATH0314/MATH1314 corequisite. Successful completion will grant TSI-compliance in math and college-credit for MATH1314.

Applicable Transfer Credit Hours

Evaluation of course credit earned at other institutions by the TTU Transfer Evaluation Office does not decree approval of the credit for use toward degree requirements. Only the academic dean of the college offering the program in which a student is enrolled has authority for determining which courses will be applied toward any specific program. The only exception to this rule is that no transferred course completed with a grade below C- may be applied to fulfill course requirements in majors, minors, or concentrations. Applicants must submit official records from all accredited institutions attended. Official transcripts must be sent directly to the Office of Undergraduate Admissions. All college-level, non-vocational courses completed with a passing grade of D or above at regionally accredited colleges and universities (not including trade or technical schools) will be evaluated for acceptance of transfer credit by the TTU Transfer Evaluation Office. The TTU Transfer Evaluation Office determines acceptable transfer credit on the basis of an evaluation of course content as described from the sending institution's catalog and in consultation with the appropriate academic units at Texas Tech University as necessary for clarification. While all credit hours presented on

the sending institution's transcripts will be evaluated and equivalent college level courses posted to the student's academic record, a maximum of 80 semester credit hours from two-year colleges may be applied toward Texas Tech University degree requirements. Courses that are accepted for transfer do not necessarily apply toward college, departmental, or program degree requirements.

Texas Tech University Uniform Graduation Requirements

Foreign Language Requirement

• Students graduating from Texas Tech University should be able to express, negotiate, and interpret meaning in a second language.

Any entering student who has not completed two years of a single foreign language in high school must complete at least two semesters (or its equivalent) of a single foreign language at the first-year college level <u>or</u> at least one semester of a foreign language at a 2000 level or higher as a graduation requirement. This requirement may also be satisfied by transferring in the equivalent courses from another college or university. Individual Texas Tech University colleges may have additional foreign language proficiency requirements. Additional requirements may be necessary for select majors.

Science Laboratory Requirement

• Students graduating from Texas Tech University are required to complete two semester credit hours of science laboratory courses. Normally this will be done by taking two 4-credit science courses or combinations of lecture and lab.

Communication Literacy Requirement

• Students will complete the required communication literacy requirement.

Core Curriculum Requirement

• Students will complete the required core curriculum.

Multicultural Requirement

• In addition to the State of Texas core curriculum, every student must include at least one 3-hour multicultural course or its equivalent that focuses explicitly on the distinctive subcultures of the United States or on the culture of another society.

Assured Admission to Texas Tech University

If you present the required combination of transferable hours and GPA below, you are assured admission. GPA is cumulative for all transferable courses (including dual credit) from all schools attended. Courses taken for grade replacement are used for GPA calculation only if the same course is repeated at the same institution where it was originally taken.

Transferable Hours	GPA Requirements
12-23 hours	2.50 cumulative
24 or more hours	2.25 cumulative

Special College Admission Requirements

Some academic colleges and departments at Texas Tech only accept students who meet assured admission requirements. College entrance requirements are subject to change and are listed in the <u>Texas Tech Undergraduate</u> <u>Catalog</u>.

Additional Texas Tech Advising Notes

- Make an appointment with an academic advisor of the major, once accepted to TTU, in order to clarify department, university policies and procedures, to review course sequencing, and to help with identifying resources for academic success. A current list of academic advising resources can be found at https://www.depts.ttu.edu/admissions/advising/staff.php.
- Refer to the official source of information on specific courses within the TTU requirements of this degree plan from the TTU Undergraduate Catalog or visit the web site at <u>www.ttu.edu</u>.
- Read the TTU Undergraduate Catalog.

• Pay close attention to course sequencing and availability at TTU as it will affect the time it takes to complete the degree program.

Using this Transfer Advising Guide with Texas Tech University

This Transfer Advising Guide represents Texas Tech's degree plan and is subject to change at the university's discretion. It is intended for advising purposes only so students know exactly which courses they can take at South Plains College and have the courses count towards degree requirements when they transfer to Texas Tech. It is highly recommended that students meet with their assigned academic advisor to review all graduation and transfer requirements listed in the Transfer Advising Guide.

The ultimate goal is to provide students with accurate information for transfer pathways while minimizing loss of credits in transfer. Students are encouraged to review Texas Tech's requirements frequently.

The Transfer Advising Guide is based upon Texas Tech University's catalog and is subject to change.

Transfer Scholarships

Transfer Scholarships are offered to students who are admitted as transfer students based on official transcripts submitted to the Office of Admissions and pay toward fall and spring terms.

Complete requirements early - final awards are based on transcripts received by **July 31st** for fall or **January 6th** for spring entry terms.

Non-residents awarded a Proven Achievers or IMPACT President's Scholarship will qualify to pay in-state tuition.

PRESIDENTIAL TRANSFER SCHOLARSHIP

Qualifications

Texas Resident 30 Transferable GPA Hours 3.0 GPA Financial Need as Evidenced by FAFSA or TAFSA

Renewal Requirement 3.0 GPA & 12 hours earned per term Financial need as determined by the FAFSA or TASFA 60 Transferable GPA Hours 3.5 GPA

Qualifications

PROVEN ACHIEVERS SCHOLARSHIP

Renewal Requirement 3.25 GPA & 12 hours earned per term

Transfer Merit Scholarships are guaranteed for students who have transcripts and other required documents submitted by July 31 for Fall entry or January 5 for Spring entry. Scholarships are renewable for up to three consecutive years (six total terms). Students must enroll in a minimum of 12 credit hours; 9 must be TTU hours. Students with approved consortium agreements must take a minimum of 9 TTU hours. Transferable hours exclude credit hours from AP, CLEP, or military credits. Students must meet all criteria to qualify.

- Transferable hours exclude credit hours earned from AP, CLEP, or military credits.
- Students awarded a transfer level scholarship of \$2,500 for 2 years can be upgraded. Based on updated transcript
 information, students could then qualify for a Presidential Transfer or Proven Achievers level scholarship. This would be
 considered an upgrade. Students are only eligible for one transfer level scholarship but may qualify for other university
 scholarships.
- Prior approval is required from the Scholarship Office for those taking fewer than 12 hours.
- TTU Costa Rica Students are not eligible for scholarships.
- Returning Texas Tech students are not eligible for transfer scholarships.

Please note: A GPA below a 2.0 for any one term will result in automatic cancellation of this award.
