The grades you receive on your assignments, quizzes, homework, digital work, drafts, revisions, papers, and exams are indicators of your progress toward mastering the course objectives. Student grades will be posted in the Blackboard gradebook. It is each student's responsibility to continually monitor academic progress posted in each student's grade book on Blackboard.

General Assignment Information

- **Writing assignments:** Your writing assignments will consist of essays, journals or discussion boards of various topics, lengths, and styles. You will receive a set of specific instructions for each writing assignment. You are expected to turn in every part of an assignment according to the dates listed on the course outline, and announced in class.
- **Digital homework (weekly):** Every week, you will have assignments to complete in Blackboard. These may include discussions in the discussion board in Blackboard, quizzes or other assignments as assigned by the instructor. Digital homework cannot be made up if missed, unless the instructor grants permission (e.g., due to an unforeseen circumstance):
 - Having technical difficulties is not an excuse for missing homework.
 - It is ***YOUR responsibility to locate a working computer and an internet connection. It is suggested that you use a computer and not a cell phone to***

complete assignments. It is the student's responsibility to file tech support tickets, and/or contact tech support to report a problem with Blackboard.

- **If you are having issues with Blackboard, please email me to let me know, then contact** Blackboard Technical Support at blackboard@southplainscollege.edu or (806) 716-2180.
- **Reading Quizzes:** You will have reading quizzes covering the required reading material. Quizzes are designed to assess your understanding of the material reviewed in class and read about in the chapters. You will have the opportunity to take each quiz multiple times. Your final submission will be counted as your grade. All quizzes are taken in Blackboard and are timed. Quizzes cannot be made up if missed.
- **Major Exams:** You will have three major exams, which will cover the concepts learned up until that point. Exams will be conducted in person or via Blackboard at the discretion of the instructor. During in person exams, everything you brought to class that day will be kept out of sight the entire time. This includes all electronic devices (i.e., cell phones, tablets, laptops, smart watches, etc.), notebooks, backpacks, textbooks, etc. Students may not wear headgear during the exam (e.g., no headphones/earbuds, no sunglasses).
 - **Missed exam:** If a student misses an in-person exam, the student will receive a 0 for the exam. HOWEVER:
 - if you have documentation for missing the exam (e.g., an official doctor's note), then you may make up the exam within the next week. It is the student's responsibility to schedule a time with the instructor to take the exam during the instructor's office hours. Failure to schedule a time to take the exam within the required time will result in a 0 for the exam.
 - Exams conducted on Blackboard cannot be made-up if missed.

Classroom Policies, Assignment Policies, and Due Dates

Assignment Deadlines and Requirements

1. Students are expected to submit college level work **on time, on the date on which the assignment is due. No late work will be accepted in the class. Please plan your time accordingly!**
2. All work is expected to contain professional and appropriate language, correct grammar, correct spelling, and complete sentences.
3. All writing assignments must be in the **APA format** (https://owl.purdue.edu/owl/research_and_citation/apa_style/apa_formatting_and_style_guide/general_format.html), unless otherwise noted.
4. Writing assignments are to be submitted in WORD format. Each student at South Plains College is given a Microsoft_365 account and it should be used for assignments. Assignments will be submitted via Blackboard or Turnitin per the assignment directions. Do not send assignments to the instructor's email unless specifically instructed to do so.

If you do not understand the method of submission, speak with the instructor for further clarification.

5. All essays will be submitted through the Turnitin link in Blackboard. TURNITIN is a powerful program that helps detect plagiarism or improper use of sources in papers, as well as grammatical errors. Once your paper has been graded in TURNITIN Feedback Studio, you will be able to view my comments and marks on your paper. TURNITIN accepts the following file types: Microsoft Word, WordPerfect, PDF, RTF, OpenOffice (ODT), Google Docs.

Unforeseen Circumstances

If a student is dealing with an unforeseen circumstance (e.g., a death in the family, an illness), **the student should contact the instructor immediately, before the due date of an assignment.** Please do not assume that the instructor will change the date of an assignment, or extend the date, due to an unforeseen circumstance. *It is only at the instructor's discretion that a due date may be amended or extended.* If a date is changed, it will only be changed/amended/extended once. After that, a grade of 0 will be given for additional missed assignments. The student is given plenty of time to complete each assignment. Failure to manage your time or waiting until the last minute is not a “unforeseen circumstance” that warrants and extension of the due date.

Attendance

- Students are expected to attend **all class sessions, and attend class on time.** Being late is disruptive and disrespectful to the class. Please see the Disruptive Behavior policy, below.
- Students will be given four (4) absences to be used throughout the semester.
- If a student has five (5) or more absences, the student may be dropped from the course with a grade of F.
- You are an important part of the class. If you can't be at class, please notify the instructor by email.
- Attendance for online classes is made by logging in to Blackboard, completing assignments and participating in any other online activities required by the class.

Cellphone/Laptop/Tablet Usage in Class

Cellphones, tablets, and/or laptops may be used in the class for note-taking and academic purposes only. These devices should be kept on mute or off mode. No audible or videotaping is allowed without prior approval of the instructor. Taking phone calls in class is prohibited. Everyone in class is an adult and should act accordingly. If an emergency exists or you must take a phone call, you need to leave the room. If your call becomes lengthy and you miss 15 minutes of class, you will be marked absent. If phone calls become excessive, you will be asked to leave class and will be marked as absent. If I see anything distracting such as texting, I will ask you once to put the item (e.g., cell phone) away. If the behavior continues, and I have to ask you a second time, you will be asked to leave the class, which will count as an absence for that day.

Disruptive Behavior

You are an adult, and as such, you will be treated as one, with respect and professionalism, in the class! Being an adult also means being respectful to those around you. Do your best to be respectful of others and their right to learn in a peaceful environment in all aspects of classroom behavior. Disruptive behavior includes, but is not limited to creating distractions, talking out of turn, talking with classmates during lecture, wandering in and out of class, chronically showing up late, chronically leaving early, improper use of technology or sleeping in class. Earbuds or other personal headphone devices will not be used in class. "Failure to comply with lawful directions of a classroom teacher relative to maintaining good order is considered misconduct on the part of the student. Repeated violations of disrupting a class will result in the student being dropped from the course." (See Student Guide)

*****If the instructor deems a student unprepared in any manner (e.g., consistently not bringing required materials/homework to class), and/or, if a student disrupts the learning environment, he/she will be asked to leave the class. If a student is asked to leave the class, this will result in an absence for that day, and this absence does count towards the student's allowable total of absences for the semester. If the student is continually unprepared for class in any way, and/or continually disrupts the learning environment, that student may be dropped from this course with the grade of F.*

Plagiarism and Cheating

Students are expected to do their own work on all projects, quizzes, assignments, digital homework, exams, and papers. Failure to comply with this policy will result in an F for the assignment and can result in an F for the course if circumstances warrant. Additionally, a student may be asked to meet with the Dean of Students for further disciplinary action.
